

IMPROVING SOCIAL CONNECTIONS

# We are a Connector Point

*There are lots of ways to make new connections but sometimes it's hard to know where to start...*

To find a Connector Point near you visit:

A Compassionate Community is one where the community works together and understands that caring for one another through the ageing journey is not a task solely for health and social services. People benefit when local networks and groups are more aware and equipped to offer support. We are supporting **Compassionate Communities** in our region.
