COVID-19 GP Clinics

Blue Mountains, Hawkesbury & Penrith

For people with mild to moderate respiratory symptoms including **fever**, **sore throat**, **cough**, **tiredness** and **shortness of breath**

- Assess people for COVID-19 and other respiratory illnesses
- Undertake COVID-19 testing (when appropriate)
- Visits are free, no GP Referral required*

Hazelbrook General Practice
9 Rosedale Avenue, Hazelbrook
Monday to Friday
0492 818 575

Windsor Clinic
2 Kable St, Windsor
(previously 6 Kable St)
Monday to Friday

Our Medical Home, Homemaker Centre
2227 Wolseley Street, Jamisontown
Monday to Friday
8311 3888

Patients will receive clinical advice on how to best manage their symptoms, and referred back to their usual GP for ongoing treatment. Any test results will be provided to the patient and their usual GP.

An appointment **MUST** be made. You can book online at
www.nbmphn.com.au/COVIDGPclinics

Patients are encouraged to discuss their symptoms with their usual GP via a telehealth consultation before making an appointment at a COVID GP Clinic.
