PPE & Pulse Oximeter Order Form

Section 1: Living with COVID (LWC) PPE Bundles ordered per practitioner

Please fill out the below table for each eligible general practitioner

- **Each bundle contains: P2/N95 respirators (90 units), either goggles or face shields (40 units), full length gowns** (40 units), **gloves** (100 units), **surgical masks** (80 units) and **hand sanitiser** (2 bottles).
- This bundle is intended to supply each practitioner with 1 month's supply of PPE (equivalent to 40 patient visits). If practitioners have a higher case load (i.e., over 40 patients), bundles can be ordered more frequently. Please complete a separate line for each practitioner indicating size choice.
- You have the option to select preferred size of P2/N95 respirators (small or regular) and gloves (small, medium or large).
- The Department of Health will endeavor to meet your size choice, however in the event of stock unavailability, the Department will automatically allocate the next size up.
- General practitioners must provide PHNs with the provider numbers of relevant general practitioners managing COVID positive patients, for whom the PPE is sought.

*Please tick to indicate size preference of P2/N95 Respirators and Gloves
