Section 1: Living with COVID PPE Bundle

Please fill out the table for each eligible pharmacist:

- Each bundle contains: P2/N95 respirators (90 units) which can be ordered monthly and, either a goggle or face shield (1 units). Goggles/ face shields are a one-off order, as this item can be washed and reused.
- This bundle is intended to supply a pharmacist administering vaccines with 1 month supply of PPE.
 Please complete a separate line for each eligible pharmacist.
- You have the option to select preferred size of P2/N95 respirators (small or regular).
- The Department of Health will endeavour to meet your size choice, however in the event of stock unavailability, the Department will automatically allocate the next size up.
- Pharmacists must provide PHNs with the APHRA number of the relevant pharmacist (trained to provide COVID vaccinations), for whom the PPE is sought.
