**1 in 7 women in NSW will
develop breast cancer.**

Having a breast screen every 2 years is the best way to find breast cancer early.

Screening with BreastScreen NSW is for women with no symptoms. If you are experiencing symptoms such as a lump, nipple discharge or persistent new breast pain, please see your doctor without delay.

This initiative is delivered by
Westmead Breast Cancer Institute.

Book your free breast
screen online by scanning
the code or call 13 20 50.

Early detection saves lives.
