

Quality Improvement Strategy

Wentworth Healthcare is committed to improving the health and well-being of the community through the development of a continuous improvement and outcomes focussed culture across primary care.

In support of the Wentworth Healthcare Value and Mission.

VISION
Improved health and well-being for the people in our community.

MISSION
Empower general practice and other healthcare professionals to deliver high-quality, accessible and integrated primary healthcare that meets the needs of our community.

GUIDING PRINCIPLES and FRAMEWORKS

Quadruple Aim in Healthcare	National PHN Primary Care Improvement Framework	Langley's Model for Improvement	Bodenheimer's 10 Building Blocks of High Performing Primary Care	Patient Centred Medical Home
-----------------------------	---	---------------------------------	--	------------------------------
